*Additional lyrics*

2. Kinda hoped you wouldn't blame me,  
 I can't wake up everyday and find the same me.  
 You can scream but I'll just dream how you might disappear.  
 All I know is it's never clear.

I can't hold you near,  
 You just are not here.  
 Though it wasn't hard or far,  
 I walked you to your car.
